

PEACE DAY, 1919

" Now in this morning of a Nobler Age,
Though night born eyes, long taught to fear the sun,
Would still delay the world's great heritage,
Make firm, O God, the Peace our dead have won."

GOD SAVE THE KING (Empire Version).

With his Majesty's approval, two verses have been tentatively substituted in the National Anthem to give it an Empire character. These were sung with the original first verse outside St. Paul's Cathedral on July 6th last.

God save our gracious King,
Long live our noble King,
God save th King!
Send him victorious,
Happy and glorious,
Long to reign over us,
God save the King!

One realm of races four,
Blest more and ever more,
God save our land!
Home of the brave and free,
Set in the silver sea,
True nurse of chivalry,
God save our land!

Kinsfolk in love and birth
From utmost ends of earth,
God save us all!
Bid strife and hatred cease,
Bid hope and joy increase,
Spread universal peace,
God save us all!

LAND OF HOPE AND GLORY.

Dear land of hope, thy hope is crowned,
God make thee mightier yet,
On sov'ran brows beloved, renowned,
Once more thy crown is set!
Thine equal laws by freedom gained,
Have ruled thee well and long,
By freedom gained, by truth maintain'd,
Thy Empire shall be strong.

Chorus—

Land of hope and glory,
Mother of the free,
How shall we extol thee,
Who are born of thee,
Wider still and wider,
Shall thy bounds be set,
God who made thee mighty,
Make thee mightier yet.

Thy fame is ancient as the days,
As ocean large and wide,
A pride that dares and heeds not praise,
A stern and silent pride;
Not that false joy that dreams content
With what our sires have won,
The blood a hero sire hath spent,
Still nerves a hero son.

*Chorus—*Land of hope and glory, &c.
